

WELCOME!

I would like to welcome you to St. Andrew the Apostle. We are an active and spirit-filled parish family seeking to grow closer to God. We understand that getting used to a new parish, meeting new people and developing a sense of belonging in a new community isn't easy. While you may be new to the parish, our goal is to make you feel at home as soon as possible.

We are all called by our baptism to be a light to the world and to actively live out our faith. Here at St. Andrew, there is no shortage of opportunities to do just that. We invite you to become involved in the life of the parish; through Word and Sacrament, participation in the many opportunities we offer to learn and grow in our faith and through fellowship within our parish family.

I am one of two deacons serving the St. Andrew community. Along with my wife Maureen, I also lead the Welcome Team here. Our entire Welcome Team will make ourselves available to answer any questions you may have about our parish or about getting involved.

We are glad that you are here and look forward to you being part of our parish family.

In Christ,

Deacon Doug Cummings
