

2017-18 Children Coming to Christ Sunday, September 24 through Sunday, June 10

We meet EVERY Sunday at 9:00 AM Mass. Attending every week is essential if you would like to participate in one of the pre-arranged Sacrament Masses/Ceremonies. Please attend 9:00 AM Mass with your child. The children & Mrs. Saiya-Cork will be dismissed with a blessing every week after the Homily. We will proceed to Room 205. Parents are always welcome to join us in our sessions.

Family Journey with God. As with all things in life, there are exceptions to all rules. There are 6 Sundays this year where families will attend church on their own & we will NO have class. Children will need to have a photo of themselves at the church they attend. This could be ANY Catholic church in ANY place on Earth. These dates coincide with some of the Saline Area Schools scheduled breaks.

If for any reason the weekly attendance is not possible, I will gladly set up a unique schedule for your family. After all, this is what the Children Coming to Christ Program is all about. We are on unique journeys with God. Please know, however, that a personalized schedule can result in receiving sacraments on a different date than the other children, which is COMPLETELY fine. This happens in every church parish, every single year, for many different reasons.

Children will not receive their sacraments until they are ready to receive them. For many children, this means they will be ready on the prearranged sacrament dates.

However, Life Happens. So, if your child or your family will need more time, then we will provide that. This is a year long program. We can continue through the summer and into next school year or beyond. During the summer, we can choose a different weekend Mass to hold classes.
